

MedPro Concur Connect

HCP Expense & Invoice Integration with an Automated Data Export to Aggregate Spend Solutions

MedPro Concur Connect – Expense & MedPro Concur Connect – Invoice

MedPro Systems' industry-leading connectors enable real-time access to the MedProID® database via Concur Expense & Concur Invoice, simplifying accurate HCP data capture for transparency reporting.

✓ **Quickly capture all required Healthcare Practitioner (HCP) data in Concur to meet Open Payments (Sunshine Act) & State Aggregate Spend requirements:**

- Name & Address
- State License Number (SLN)
- National Provider Identifier (NPI)
- Specialty & Taxonomy
- Covered State Recipient ID
- Validated Physician List (VPL)

✓ **Access the industry-leading MedProID® 21M Record HCP database for all Covered Recipients:**

- Medical Doctors & Trainees
- Doctors of Osteopathy
- Physician Assistants
- Advanced Practical Nurses
- Licensed Practical Nurses
- Dentists
- Optometrists/Opticians
- Chiropractors
- Pharmacy Technicians
- Veterinarians
- Homeopathic
- Naturopath
- Registered Nurses
- Podiatrists
- Psychologists
- Pharmacists
- Dental Hygienists
- Social Workers
- Audiologists
- Hearing Aid Dispensers
- Speech Pathologists
- Dietitians/Nutritionists
- Respiratory Care
- Occupational Therapists
- Physical Therapists

✓ **Search the MedProID® database from Concur desktop and mobile apps:**

- Recipient Name
- License Number
- Medical Designation
- Address Information

MedPro Concur Connect – Export for Aggregate Spend

New in
2018

Eliminate FTP file transfers - automatically export default Concur Expense reports (including ADE files) to Porzio AggregateSpendID® or any Aggregate Spend reporting solution.

✓ **Automates the process to extract data from Concur Expense using the latest App Center API technology by Concur and MedPro Systems – it takes minutes to set up!**

✓ **Professional and Standard Concur Expense versions are supported to obtain the Attendee Detail Extract (ADE) files – critical to the transparency reporting process.**

✓ **Seamless integration with Porzio AggregateSpendID® for our existing customers – learn more about our industry-leading Federal and State Aggregate Spend Reporting solution!**

Streamline Open Payments Compliance with the MedPro Concur Connect Suite of Solutions

Search, capture and export HCP data within Concur Invoice & Concur Expense

The **MedPro Concur Connect suite of solutions** enable pharmaceutical and medical device companies to effortlessly maintain compliance with physician spend tracking regulations.

Eliminate manual entry of HCP attendee information

- Search from within Concur Invoice and Concur Expense, and access Healthcare Practitioner (HCP) information at the time of expense capture.
- Get real-time results from the MedProID® database, containing 21 million records of all HCPs required for U.S. federal and state compliance reporting, as well as international HCPs.
- Quickly capture accurate, comprehensive HCP data elements required to meet federal and state Open Payments regulations, such as HCP Name, Address, State License Number and NPI license number, Specialty, Taxonomy Code, State Covered Recipient Number, and much more.
- Instantly add data to a Concur Invoice payment or Concur Expense report.

One step to export HCP data

- Automatically import Attendee Detail Extract (ADE) files from SAP Concur to MedPro's industry-leading Porzio AggregateSpendID® solution or to any internally developed or 3rd party Aggregate Spend reporting solution.

MEDPRO CONCUR CONNECT EXPENSE

- Live search of all U.S. Healthcare Practitioners in Concur Expense
- Over 250 customers on MedPro Expense integration — 9 million searches since 2012

MEDPRO CONCUR CONNECT INVOICE

- Accurate HCP data and identifiers in Concur Invoice for federal and state reporting
- A/P payments represent 80% of expenses reported to Open Payments

MEDPRO CONCUR CONNECT EXPORT

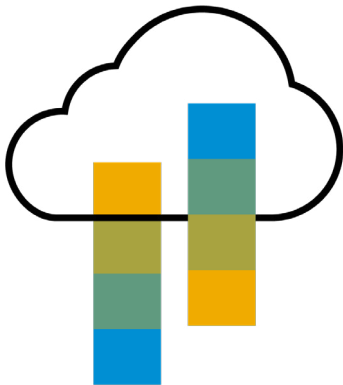

- Seamless export of default Concur Expense reports to Porzio AggregateSpendID® or any Aggregate Spend reporting solution
- Automatically pull HCP Data required for Open Payments/ Sunshine Act reporting right from both Professional and Standard versions of Concur Expense

Live search of HCP databases within SAP Concur reduces complexity and improves data quality

About MedPro Systems®

In business for more than 18 years, MedPro Systems® maintains over 450 active Life Sciences customers, including 21 of the Top 25 pharmaceutical manufacturers. MedPro Systems® was founded for the purpose of providing healthcare license solutions for the pharmaceutical and device industries based upon a powerful combination of licensing data and information technology. The result is the industry-leading license validation solution, MedProID®. To date, SAP Concur clients have conducted more than 9 million searches via Concur Connect into MedProID® practitioner database — a 21M record database containing a comprehensive list of professionals.
